

Mustique Airways New Service to Petit St. Vincent

02 July 2012

Kingstown, ST. VINCENT: Travel to the island paradise of Petit St. Vincent (PSV) has now become easier with the launch of a new flight service dedicated to guests of Petit St. Vincent by Mustique Airways, flying from Barbados to Union Island.

The inaugural flight commences on November 01, 2012.

Mustique Airways will service the Barbados-Union-Barbados run daily as needed with twin engine aircraft, ensuring a private experience as only their group or other PSV guests will be travelling.

PSV has negotiated a flat-rate charge of \$600 per person for the round trip Barbados-Union-Barbados.

British Airways and Virgin Atlantic fly to Barbados direct from London Gatwick. From Barbados, guests fly to Union Island and from there take a short boat ride to Petit St Vincent.
